

iPeople successfully places Director of Wellness at Fred C. Church, Inc.

iPeople recently fulfilled a request for placement of a Director of Wellness at Fred C. Church, Inc . We were contacted by their President & CEO, Herman Laturau, with a request to find this 145 year old agency a qualified wellness specialist for their growing Benefits Department. Our process included reaching out to Certified Employee Benefit Specialist, Applied Exercise Science professionals and Health & Fitness experts throughout the country. iPeople conducted elaborate screening of candidates, including in-depth interviews.

Should your agency be in need of qualified insurance professionals, turn to iPeople to find the perfect candidate for your organization.
